

MAKE AN APPOINTMENT

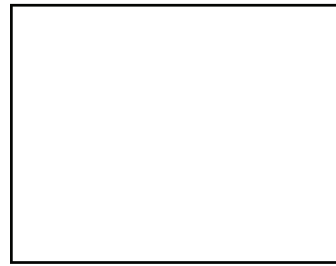

A central clock face with numbers 1 through 12. Lines connect the clock face to 14 empty rectangular boxes for appointment times:

- 1 box at the top.
- 2 boxes at the top-left and top-right.
- 4 boxes on the left side (at 9, 8, 7, and 6 o'clock).
- 4 boxes on the right side (at 1, 2, 3, and 4 o'clock).
- 1 box at the bottom.

HUMAN INTELLIGENCE HUNT

- Goal: Find eight different people to perform and sign the eight tasks below.
- Directions: Find a partner, perform a task and sign by the task once it has been completed. Have the partner do the same for you. Find seven more partners and repeat.

HUMAN INTELLIGENCE HUNT

Find someone who can:

_____ Sing, hum, or whistle a part of a song. 

_____ Wad paper and hit something. 

_____ Say a poem. 

_____ Draw something. 

_____ Tell a dream you remember. 

_____ You bought 6 dozen eggs on sale for \$10.00 The sale let you buy another 12 dozen for half of the sale price. How much did you spend? 

_____ Play rock-paper-scissors three times, or tell someone something that is important to you. 

_____ Draw a picture of what you saw in the trees or clouds.
